

Premium Heating Oil | Propane | Diesel | Pellets | Heating | Cooling

The D'Amato Family

Dear Homeowner,

As you know home ownership is a significant investment and you should see to it that your investment is maintained. We are Power Fuels of Bristol, we are the family owned, total fuel and service provider of choice in your area. We have been providing world-class service to our customers since the late 1940's. Our companies may have been around since then, however we are a modern provider today, yet still provide old fashioned service and reliability that you and your family can count on when you need it the most.

We know that discount oil providers are tempting and that price is more important than ever in your decision making. However, you sacrifice so much when selecting one truck companies that are operated on a part time basis or out of your neighbor's garage.

Reasons to become a Power Fuels customer:

- Experience.
- Full fuel perspective: heating oil, propane, diesel and wood pellets.
- Fully licensed, fully insured and not afraid to prove it.
- Financial stability.
- Storage facilities providing a guaranteed supply of fuel for our automatic and budget customers.
- Premium quality home heating oil with superior fuel additives like TES 3400.
- Full service department consisting of expert HVAC technicians.
- Value added services such as TankSure and a propane supply line insurance program.
- Convenience of paying your bill online.
- Centrally located facilities.
- Fully maintained delivery, service and support fleet.
- And let's not forget about familiar faces and voices on the telephone who will be taking your calls and requests. These employees aim at providing world-class service that is old fashioned in nature. We still call to check on your 90 year old mother and make sure she has everything she needs to stay comfortable and safe.

THIS IS OUR TOTAL GUARENTEE TO YOUR SATISFACTION, PERIOD.

For old fashioned service and reliability that one truck discount dealers just can't provide...

Trust your safety and comfort to Power Fuels.
