WOOD PELLET PRICING INFORMATION

Corinth Wood Pellets from Maine:

These pellets are made from 100% clean sawmill residue. This ensures that our customers have less ash and a higher BTU with each bag of pellets. We do not use any painted board or demolition debris. We only manufacture a premium wood pellet.

Saturday Delivery

Pickup Monday through Saturday

Single bags available at our office

Storage

Our wood pellets are stored inside our dry climate controlled warehouse free from the outdoor elements to ensure quality.

Hand Stacked Delivery

When you receive a delivery, our team will hand stack each bag with care to make sure no bags are ripped or damaged. All ripped or damaged bags are accounted for and replaced at no charge at time of delivery.
